* THE ENCOUNTER

Aspect : Delicate raspberry pink with glints of blood orange.

Nose : Expressive notes of jammy fruit with hints of smoke. Fresh and ripe at the same time, with just an edge of vinosity.

Palate : Smooth and succulent with contrasting notes of fresh and cooked strawberry and lemon zest.

THE INTENTION

A expressive wine with lots of character and a bubbly personality.

THE SETTING

This cuvee will be in its element at a country picnic on a cloth spread out on the grass, between a rustic rabbit paté and a slow-cooked salt pork with lentils. Charm and authenticity combined!
